(1) ADSQ and ADDQ levels are subject to adjustments identified in the terms and conditions of Rate TRS and Rate STB.

The parties agree to the following terms and conditions that will apply to the above referenced transportation accounts:

- 1) The primary term of service under the Company's applicable TRS tariff(s) is for a minimum period of one year from the effective date of this agreement as defined in 5) below. At the expiration of the primary term the service will continue for successive one year terms until terminated by the Operator in accordance with the provisions set forth in Section 21 of Rate TRS, or terminated by the Company in accordance with the provisions set forth in Section 23 of Rate TRS.
- 2) The Operator agrees to abide by the applicable TRS / STB / BAL rate(s) and the Company's rules and regulations as approved by the Department of Public Utility Control. Additionally, the Operator agrees to abide by the city gate station assignment as determined by the Company.
- 3) The Operator shall not misrepresent, imply or cause customers to infer that inclusion on the Company's Operator List is in any way an endorsement of the Operators programs and / or products by the Company.
- 4) The Operator may not use the name, logos, trade names, service marks, trademarks, printed materials, or art work of the Company and / or its affiliates in any of its oral or written material without the prior, written consent of the Company, which consent may be given or withheld in the sole discretion of the Company.
- 5) This agreement shall be effective on November 1, 2003 or the first day that the Company receives natural gas from the Operator identified herein whichever occurs later (the "effective date"). This agreement supersedes any prior agreement between the Company and the Operator.
